## *Follow the sun in shaded comfort!*

IBIZA retractable arm awning lets the sunshine in when wanted and quickly provides cool comfortable shade when needed.

The IBIZA awning opens or closes by extending or retracting its arms, either by a hand crank or by an optional electric motor. Ideal for decks and patios... the IBIZA awning can be mounted on a wall, soffit or roof... and when not in use, or during bad weather, the IBIZA awning is self storing

Insert the crank handle into the arm housing and adjust the angle of the awning to a desired position.
